IS YOUR HAIR GROWING OR GOING?

Stand in front of a mirror. Take a long hard look at the top of your head. Do you have as much hair as one year ago? Do you see any new hair growth?

If your answer is no, it is important that you take steps today to save the hair you now have. If you act now, you may be able to reverse the trend on your head. You may be able to grow new hair faster than it is falling out. Doesn't that make sense to you? Wouldn't you like to look in the mirror a year from now and see more hair on your head than you see now? Why lose your hair if you don't have to?

CAN YOU SAVE YOUR HAIR?

Every year thousands of men and women go bald — needlessly — because of a scalp infection. This scalp infection is called seborrhea. Doctors say that three germ organisms cause seborrhea: staphylococcus albus, pityrosporum ovale, and microbacillus. These germs attack the sebaceous glands and the hair follicles themselves. If not checked, permanent damage is done. The hair follicles atrophy, lose their ability to produce new hairs. The result: premature baldness.

You can easily tell if you are a victim of seborrhea. If you have itchy scalp, dandruff, hair loss very dry or oily scalp, the chances are that you have seborrhea. Neglect these symptoms and you invite baldness.

Treat your scalp to Ward's Formula. This amazing scalp medicine quickly controls seborrhea and stops the hair loss it causes.

Here's the Proof!

I must admit I didn't have much faith in it, but I hadn't been using Ward's one week before I could see it was helping me. I could feel my hair getting thicker.
S. R. Cleveland, Ohio

Out of all the Hair Experts I went to, I've gotten the most help from one bottle of Ward's Formula.
C. La M., Philadelphia, Pa.

After using Ward's for only 12 days my hair has stopped falling out.
R. W. C. Closer, Ill.

I am tickled to death with the results. In just two weeks' time — no dandruff!
W. T. W. Portola, Cal.

I feel encouraged to say that the infuriating scalp itch which has bothered me for 5 years is now gone.
J. M. K. Columbus, Ohio.

DOUBLE MONEY BACK GUARANTEE

In seconds, Ward's Formula kills the three parasitic germ organisms retarding normal hair growth. This swift germicidal action has been proven in scientific tests by a world-famous testing laboratory (copy of laboratory report sent on request). Ward's removes infectious dandruff, stops scalp itch, brings hair-nourishing blood to the scalp, tends to normalize very dry or oily scalp. In brief Ward's Formula corrects the ugly symptoms of seborrhea, stops the hair loss it causes. Ward's Formula has been tried by more than 550,000 men and women on our famous Double-Your-Money-Back Guarantee. Only 1.9% of these men and women were not helped by Ward's and asked for their double refund. This is truly an amazing performance.

Why not join the men and women who have successfully ended their troubles? Treat your scalp with Ward's Formula. Try it at our risk. In only 10 days you must see and feel the marked improvement in your scalp and hair. Your dandruff must be gone. Your scalp itch must stop. Your hair must look thicker, more attractive, and alive. Your excessive hair loss must stop. You must be completely satisfied — in only 10 days — with the improved condition of your scalp and hair, or simply return the unused portion for Double Your Money Back. So why delay? Delay may cost your hair.

Rush Ward's Formula to me at once. I must be completely satisfied in only 10 days or you GUARANTEE refund of DOUBLE MY MONEY BACK upon return of bottle and unused portion.

THE DEPUTY SHERIFF'S CORNER

Come on, you Western fans and get ready for something new! We have asked an old Timer to give us a hand. He still has his deputy sheriff's badge, can ride a horse, shoot his rifle or six-gun, trail a man, and he knows his West. He will write a special column for this publication. It will consist of answers to questions you send him about the old West. Make it brief and to the point. There will be no personal replies, but from your letters will be chosen one to be answered in this column in every issue of this publication

Dear Deputy Sheriff:

I figure we all know something about scalping. And that it isn't a very pleasant topic to write about. So is there anything unusual you could tell me about it? I want to make myself a little clearer. Maybe something funny or unusual. If that's possible, then it is o.k. with me. If not, then you may have to tell me something else.

Simon N

Dear Simon N:

That looks like a hard order to fill. Maybe this is what you want me to tell you. But it isn't going to be easy to believe. If you wrote a fiction story about it, I figure that the readers would turn it down. The plot is simple. Our young handsome hero comes into an Indian village, just about when the braves are going to do their famous scalp dance. Does he lose the top of his dome? Oh, no! A beautiful Indian maiden takes a look at him and wants to save him. In fact, our hero is a bit dumb - doesn't even realize he is being spared from a terrible fate. Has a wonderful time in the Indian village and leaves. Only later, when he is much older does it dawn upon him what might have happened. What a plot!

The only trouble with this plot is that it did happen in real life. Our hero was Lewis H Garrard. We can just call him Lewis. At the tender age of seventeen he left Westport Landing with a caravan in the year 1846. He visited Bent's Fort. The West for him was one glorious adventure and experience.

And so he lands in a Cheyenne village. This is the time for all white men - young and old to stay away. A group of redskins have just come

back from a victorious fight. They are going to do their famous victory dance. The girls get into this dance. Rings and bracelets of shining brass encircle their tapering fingers and arms. There are about 200 of them and about 250 Cheyenne braves. Also, some victory scalps taken away from the defeated Pawnees.

But Se-Hak, who is an important Indian woman, has a daughter, O-ne-o. She rather likes Lewis. And so does the daughter of another important Indian woman by the name of Se-ne-mone. That is the name of the mother. The girl we know only as Genevra. She puts on a large red dress. The girls want to save this handsome youth from a fate he doesn't know is awaiting him.

Meanwhile the braves are working themselves up to a terrible pitch. O-ne-o and the others are going to save our hero. Lewis does remember that this girl had a sweet oval face with expressive eyes that were liquid and hazel with a dash of playful humor. That's how he tells it. But how are they going to save him? They take his hand and lead him right into the line of dancing braves. And he, a young teen-aged white fellow, finds himself doing the jolting steps of the grand scalp dance.

Sure, he had a wonderful time. They even painted his face in the most approved Cheyenne style. When the older Indian women laughed at the contrast of a white skin and red paint, Lewis washed the stuff off his face. He had a wonderful time. He was fed and treated like a king. Of course, now and then, a brave took a look at that scalp and wondered. But our hero was protected by the women. The braves could defeat other braves, but they still had to listen to their women.

And so our hero, rather sadly, left the village, with all waving a farewell to him. Can you imagine how he felt as it later dawned upon him what might have happened? So there is your true and unusual story for you.

The Deputy Sheriff.

Physical And Mental Rejuvenation Now Can Be Yours With

HATHA YOGA

ACHIEVE A HEALTHY BODY AND MIND
WITH THIS AMAZING LIFE FORCE

It is absolutely true that you can make yourself completely over. You are what you are because you have felt that nothing could be done about it. But this is not so. Almost miraculously you can achieve a transformation of yourself with only a few minutes a day of Yoga. Many people think that Yoga is a very complicated, difficult, and mysterious guide to a transformation of the individual suitable only for Oriental gurus. At one time this was actually so, but it is not now! A new course of instruction has just been published by one of the world's leading authorities on Yoga that makes it possible for anyone who can read to immediately begin practicing Yoga, and to achieve a complete change for the better in one's physical and mental condition. This new book of Yoga is available for a full 10-day examination to anyone sending in the coupon.

RETAIN AND PROLONG YOUTHFULNESS WITH YOGA

As you begin your practice of Yoga, you also begin a regimen that will soon help you restore and prolong youthfulness. You will feel yourself shedding years. People will begin remarking on your youthful appearance. Soon you will actually feel the way you appear to others. Yoga calls this transformation: physical and mental rejuvenation. Yoga aims not at just achieving a strong person but a totally fit individual—in body as well as mind. Why not try for yourself. There is no risk—just mail the free-examination coupon below

YOGA EXERCISES ARE DIFFERENT

Yoga exercises are not ordinary exercises. Ordinary exercises develop muscle-bound individuals, but Yoga exercises develop poise, balance, and good looks. There is no exertion with Yoga. You actually feel more vital and relaxed. Yoga exercises develop fitness, suppleness, smoothness, and fluidity of movement without a muscle-bound feeling. No part of the body is overlooked by

Yoga. There are exercises for the stomach, hips, thighs, legs, back, arms, face and neck. Every exercise is illustrated with clear sharp photographs and described in detail, making it easy for anyone to follow them

YOGA AND DIET

Yoga introduces an entirely new concept of diet. It is not concerned with calories as it is with certain eating habits and the Yoga system of living. There is no doubt that Yoga makes people slim and keeps them that way. There are no fat followers of Yoga—living proof that the system prescribed by Yoga does work. The Yoga system of diet, exercise, and meditation will make and keep you physically fit and youthful

PURIFY YOUR SYSTEM

Yoga teaches that to achieve a complete transformation of body and mind the entire system must be cleansed and purified. Yoga maintains that a purified body won't be host to an unwell condition, and that with purification will come good health in body as well as mind.

EXPAND YOUR MIND

Long before the 20th Century discovered psychedelics, Hindu gurus were already achieving incredible feats of mind expansion. They experienced inner realization and freedom, thereby attaining a profound understanding of themselves and oneness with their fellow man. They achieved this awareness by a unique method of concentration, meditation, and contemplation, a form of transcendental meditation first coming into use here in the Western world. You, too, can experience this amazing life force

REVITALIZE YOUR PERSONALITY

Yoga makes you into a new person—changes you completely over. You attain a new insight into yourself. Suddenly you will begin to know yourself, and miraculously you will discover your identity. You will know who and what you are. What a change this wisdom will make in your way of life! What an alteration in your personality! The timid, shy, diffident, tense, anxiety-ridden you suddenly will be transformed into a fully alive, confident and functioning individual.

ACHIEVE YOUR TRUE GOALS

Getting ahead may or may not seem as the most important thing in the world, but if it is what you want, the goal will be at your grasp. You won't waste time on the superficial, the meaningless, because you will be able to identify those elements in your life that can help you achieve the things you really want, not the goals your family or your neighbors think you should pursue.
